Congratulations on the purchase of your 
*Digital Toaster* from Gourmia!

Here at Gourmia, we’re all about helping cooks make easy, healthy, and delicious meals an everyday possibility. We know how fast-paced life is and that sometimes a home cooked meal doesn’t make the top of the priority list, no matter how bad you want it. Our dependable, easy-to-use units are here to help you change that. We’re giving you the tools to eat better and healthier without spending hours in the kitchen prepping and cooking.

We want you to get the most out of your unit, which is why our team is available to help with any questions you may have. Whether you have a question with setup or need some guidance on which preset to use, we’re happy to walk you through it. Welcome to the ease of cooking with Gourmia.

This manual provides instructions for all of the unit’s functions and features along with directions for assembling, operating, cleaning, and maintaining the appliance. Please read all safety instructions and directions for safe usage at all times. Keep this manual for future use.

Thank you for choosing Gourmia!

We love hearing from you! Share your thoughts, recipes, and photos with us.

IMPORTANT SAFEGUARDS

When using electric appliances, basic safety precautions should always be followed:

1. Read all instructions.
2. Do not use the appliance on wet or hot surfaces, or near a heat source.
3. To protect against fire, electrical shock or injury, do not immerse the unit, power cord or plug in water or any other liquid.
4. Unplug the appliance from the outlet when not in use or before cleaning.
5. To disconnect the appliance, unplug the power cord from the electrical outlet. Do not disconnect by pulling on the cord.
6. Do not operate the appliance with a damaged power cord or plug. Do not operate the appliance if it malfunctions or is damaged in any way. Return the appliance to an authorized service center for examination and repair.
7. Do not use the appliance for other than intended use.
8. Close supervision is necessary when appliance is being used by or near children.
9. Do not let the cord hang over the edge of a counter or table.
10. Do not place the appliance on or near a hot burner or heated oven.
11. This appliance can be used by children 8 years and above and persons with reduced physical, sensory or mental capabilities - if they have been given instructions concerning the use of the appliance - and understand the hazards involved. Cleaning and user maintenance shall not be made by children without supervision.
12. Only use accessories or attachments that were provided by the manufacturer for this appliance.
13. FOR HOUSEHOLD USE ONLY

IMPORTANT TOASTER SAFEGUARDS

CAUTION HOT SURFACES: This appliance generates heat and escaping steam during use. Proper precautions must be taken to prevent the risk of burns, fires, or other injury to persons or damage to property.

1. A person who has not read and understood all operating, toasting, and safety instructions is not qualified to operate this appliance. All users of this appliance must read and understand this Instruction Manual before operating or cleaning this appliance.
2. If this appliance falls or accidentally becomes immersed in water, unplug it from the wall outlet immediately. Do not reach into the water!
3. When using this appliance, provide adequate air space above and on all sides for air circulation. Do not operate this appliance while it is touching or near curtains, wall coverings, clothing, dishtowels or other flammable materials.
IMPORTANT SAFEGUARDS

4. To reduce the risk of fire, do not leave this appliance unattended during use.
5. IF this appliance begins to malfunction during use, immediately press the CANCEL button and unplug the cord. Do not use or attempt to repair a malfunctioning appliance!
6. The cord to this appliance should only be plugged into a 120V AC electrical wall outlet.
7. To reduce the risk of injury to persons or property, never use this appliance in an unstable position.
8. Use the toaster on a hard, flat surface. Do not place it near a flame or heat or on a soft surface (such as carpet). Avoid placing it where it may tip over during use. Dropping the toaster could cause it to malfunction.

WARNING: ELECTRICAL SHOCK HAZARD. Never attempt to dislodge food inside the toaster while the toaster is plugged in. Doing so could cause an electrical shock hazard or a risk of fire.

CAUTION: This appliance is hot during operation and retains heat for some time after turning off. Always use oven mitts when handling hot material and allow metal parts to cool before cleaning. Do not place anything on top of the toaster while it is operating or while it is hot.

CAUTION:
DO NOT use toaster pastries with runny fillings or frosting.
DO NOT toast torn slices of bread.
DO NOT place buttered bread or wrapped food into the toaster.
DO NOT toast small-size bread, mini-baguettes, breadsticks, etc.

SAVE THESE INSTRUCTIONS
IMPORTANT SAFEGUARDS

CORD SAFETY

• A short power-supply cord is provided to reduce risk of becoming entangled in or tripping over a longer cord.
• Extension cords may be used if care is exercised in their use.
• If an extension cord is used:
  a. The marked electrical rating of the extension cord should be at least equal to the electrical rating of the appliance; and
  b. The longer cord should be arranged so that it will not drape over the countertop or tabletop where it can be pulled on by children or tripped over.

ELECTRICAL POLARIZED PLUG

This unit has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, the plug is intended to be used by inserting it into the electrical outlet only one way. If the plug does not fit securely into the outlet, reverse the plug and re-insert. If it still does not fit, contact a qualified electrician for assistance. Do not modify the plug in any way.

Power: 120V 60HZ 800W

KNOW YOUR TOASTER

BEFORE USING FOR THE FIRST TIME
1. Remove all packaging materials including those that may be inside the Toasting Slots or Lever slot.
2. Wipe the exterior with a damp cloth. Dry thoroughly. Do not use abrasive cleaners.
3. Do not put the toaster, cord or plug in water.
4. Ensure the Crumb Tray is pushed all the way into the back of the toaster and the Lever is in the raised position.
5. Plug the toaster into an outlet.
6. Turn the Shade Dial to 1. Press the Lever down to lock into place and use without food inside once or twice to burn off any manufacturing residue. You may notice a slight amount of smoke; this is normal and will stop as the heating elements continue to heat.
USING YOUR TOASTER

Note: The Lever will only lock into place when the toaster is plugged in.

1. Ensure there are no objects inside the toaster and place on a flat, level, heat resistant surface.

2. Plug the toaster into an outlet.

3. Place food into the Toasting Slots.

4. Rotate the Shade Dial to set your desired shade. 1 is light, 7 is dark.

5. Press the Lever down to lock into place.

6. Press the MENU button to set the arrow to desired Function.

Note: Function must be set while arrow blinks and MENU button is lit.

FOR FROZEN ITEMS
Press the FROZEN button to add additional time to defrost.

Note: When set to Waffle Function, the FROZEN button is on by default. Press the FROZEN button to turn it off, if there is no need to defrost.

7. The countdown timer on the Display will show remaining time.

8. Food will pop up when done toasting.

9. Carefully remove food from toaster. Lift the Lever higher for easy removal.

WARNING:

- Toasted food is hot! Handle with care.

- Never insert your fingers, metal or sharp-edged utensil into Toaster Slots, this may damage the heating element or cause injury.

Note:

- Press the CANCEL button to stop toasting at any time.

- To prevent a fire hazard, never place food over the Toaster Slots, always place inside the toaster.

- Unplug the toaster when not in use.
USING YOUR TOASTER

USING +30 SECONDS
When toasting is done, you can add additional time for a darker shade.

1. Press the Lever down to lock back into place.
2. Press the +30sec button.
3. Press the MENU button to set the arrow to desired Function.

USING REHEAT
To reheat cold toast without browning or to warm food without toasting:

1. Rotate the Shade Dial to REHEAT.
2. Press the Lever down to lock food into place.
3. Press the MENU button to set the arrow to desired Function.

TIPS
• Place bagel inside Toasting Slots with cut sides facing the center of the toaster.
• Only use toaster pastries. Use lighter shades on the Shade Dial for toaster pastries with a lot of frosting.

CLEANING & MAINTENANCE
WARNING: Never immerse cord, plug, or appliance in water or other liquid. Do not plug in the appliance or operate with wet hands.

• Always unplug the appliance and let it cool down completely before cleaning.
• To remove breadcrumbs, slide out the Crumb Tray from the bottom of the toaster. It is very important to empty the Crumb Tray regularly as crumbs that have accumulated in the toaster can burn and become a fire hazard.
• To clean the exterior, wipe with a soft, damp cloth. Never use abrasive utensils or corrosive products to clean the appliance.
WARRANTY & SERVICE

This Limited Warranty is for one full year from the date of purchase. It is applicable to the original purchaser only and is not transferable to a third party user. Repair or replacement of defective parts is solely at the seller’s discretion. In the event that repair isn’t possible, the seller will replace the product/part. If product repair/replacement won’t suffice, the seller has the option of refunding the cash value of the product or component returned.

Product defects not covered under the Warranty provisions include normal wear and damage incurred from use or accidental negligence, misuse of instruction specifications or repair by unauthorized parties. The manufacturing company is not liable for any incidental or consequential damages incurred by such circumstances.

Only valid within the United States.

STORAGE
• Unplug the appliance and let it cool down.
• Make sure all parts are clean and dry.
• Store the appliance in a clean and dry place.

ENVIRONMENT
Do not throw away the appliance with the normal household waste at the end of its life, but hand it in at an official collection point for recycling. By doing this, you help to preserve the environment.

GUARANTEE AND SERVICE
If you need service or information or if you have a problem, please visit our website or contact your distributor.
